This case was a very big deal. It is amazing that our future DNI appears to be lying about his role in it:

Trump's pick for intelligence director misrepresented role in anti-terror ...

Rep. John Radcliffe's link to an anti-terrorism case is in question.

Jim Jacks, one of the Holy Land case's lead prosecutors, also told *The Dallas Morning News* on Tuesday that Ratcliffe "wasn't part of the trial team or the investigative team." Asked if it was accurate to say that Ratcliffe "convicted individuals" in the case, he said, "No."

The trial team in this case took immense criticism and suffered a lot of slings and arrows. They deserve better than to have their work appropriated after the fact by opportunistic politicians.

More resume inflation from Ratcliffe:

Trump's Pick for Top Intelligence Post Overstated Parts of His Biography

Aides revised old claims about Representative John Ratcliffe's role in prosecuting a prominent terrorism case.

<https://nyti.ms/2GD1Umx>

Mr. Ratcliffe's statement's about his role in the Hamas case seems to be the clearest instance of an overstated résumé, but there are other examples relevant to his stated credentials to oversee the intelligence community.

While he has touted his role as the United States attorney for the Eastern District of Texas during the George W. Bush administration, Mr. Ratcliffe was an interim holder of that position, bridging a gap of less than a year between two Senate-confirmed presidential appointees.
