TREND: Criminals exposed in Trump Russia investigation charged with crimes indirectly related to Trump Russia. See, Cohen, Manafort, Gates, Flynn, etc.

FORESHADOWING: Nader will cut a deal and flip. He is of limited use as a witness in trial, since he's a lifetime mobster and twice charged pedophile ... BUT HE KNOWS WHERE ALL THE SKELETONS ARE. Some of which are literal skeletons.

CONFIRMATION: Trump Russia investigation and prosecutions are proceeding and we are no where near the bottom. (Eric Prince ... how ya feelin' today?)

Nader charges filed in April 2018 and just unsealed. So what does that mean? cc [@bert_gilfoyle](#)

1. Sealed indictments in Trump Russia still going
2. These are probably the lesser charges he got for cooperating

Nader was detained and search warrant executed in an investigation unrelated to child porn (hint hint trump russia).

iPhones. NADER was later voluntarily interviewed by FBI agents regarding a matter unrelated to child pornography. At the conclusion of the interview, NADER was informed of the existence

of the search warrant issued by this Court (1:18-SW-30) and the three iPhones were subsequently seized. The iPhones seized from NADER were later specifically identified as:

- a) iPhone 5 with serial number F2NJD55RDTTN;
- b) iPhone 6 with serial number FK1QLB5PGRYD; and
- c) iPhone 7 with serial number F2LSD2XFHFY4.

NADER IS A SICK F'S SICK F. The videos recovered on his phone depict boys as young as 3 and children engaged with goats. Most of the videos are boys 3 to 4 years old. Do not read.

Here's Nader and Trump. Because Nader is Bus Partners with Broidy, the Felon that was running the GOP fundraising operation alongside felon Cohen. Because they are dirty horrible criminal people.

The wild story of how a convicted pedophile got his picture taken with ...

According to the Associated Press, the circumstances surrounding the photo are unclear, but it may have been linked to a \$189,000 donation from Broidy to the Republican National Committee.
