L Brands founder Les Wexner says he learned that the money was taken only after he decided in 2007 to sever ties with Epstein, a former friend of President Donald Trump and Bill Clinton.

CNBC has nothing better to do than publish Les "Serial Rapist Enabler" Wexner's completely bullshit cover story? DO WE HAVE TO HAVE A FULL TEXT RECITATION OF THIS TRASH?

**Jeffrey Epstein 'misappropriated vast sums of money from me,' Les Wexner says**

admitted in the state case. At the time of that deal, police wanted state prosecutors to hit Epstein with more serious charges than they did.

Read Les Wexner's full letter to members of the Wexner Foundation.

Wexner World: I'm SUCH A TREMENDOUS FAT CAT THAT a serial pedophile rapist stole 46 Million Dollars from me; I didn't notice and I didn't tell the police.

Hey CNBC - ask this question. If Epstein stole "vast sums" from Wexner's personal fortune, AND RETURNED IT TO HIS FOUNDATION, why isn't that tax fraud and NY Foundations crime?

recover some of the funds. The widely reported payments Mr. Epstein made to the charitable fund

represented a portion of the returned monies. All of that money — every dollar of it — was originally Wexner family money.

Hey CNBC - Ask this question: Why didn't you (Wexner) do something when Epstein was using your good name to prey on vulnerable girls?

Jeffrey Epstein Pretended He Was a Model Scout for Victoria's Secret t...

The New York Times has come out with a deeply reported investigation on Jeffrey Epstein's ties to Leslie Wexner, the billionaire founder of the Limited, Bath and Body Works, and the CEO of L Brands,...

<https://jezebel.com/jeffrey-epstein-pretended-he-was-a-model-scout-for-vict-1836724527>

OH YOU DID DO SOMETHING, YOU GAVE HIM A HOUSE AND A FORTUNE.

By the mid-1990s, L Brands executives had found out that Epstein “was trying to involve himself in the recruitment of lingerie models for the Victoria’s Secret catalog.” According to the *New York Times*, Wexner was then told of what his friend was doing, and “promised to take care of the issue.”

CNBC Why are you giving cover for a man that enabled this?

In May 1997, Alicia Arden, a model in California, was introduced to [Epstein] who identified himself as a talent scout for Victoria’s Secret. He invited her to his Santa Monica hotel room to audition for the brand’s catalog. When she arrived, Ms. Arden said, the man grabbed her, tried to undress her and said he wanted to “manhandle” her. Ms. Arden, then 27, fled in tears.

Oh, my bad, everything is OK, the victims are good, because Wexner is going to "PRAY FOR THEIR HEALING."

As the story has unfolded further, and the extent of the pain caused by Mr. Epstein continues to grow, I have spent time reflecting and searching for answers as to how this could have happened. My heart goes out to each person who has suffered unthinkable pain and I pray for their healing.

Hey CNBC, I hope you dopes got paid to publish this drivel. Otherwise, I kinda feel like you are in some weird Stockholm Syndrome situation. Surely you didn't give this up for free?

Hey @CNBC while you are here ... why don't you ask Serial Child Rapist Enabler

Wexner if he is going to do anything more concrete than pray for the victims?

[@CNBC](#) And how about asking WHY DID YOU GIVE HIM A \$77M NY TOWNHOUSE 5 years after his conviction? And how in the world is this not some kind of crime or coverup?

Here's how Jeffrey Epstein may have acquired a \$77 million Upper East...

Epstein's Manhattan mansion is as mysterious as the multimillionaire himself. The townhouse was transferred to Epstein for \$0 in 2011.

<https://www.businessinsider.com/jeffrey-epstein-bought-nyc-townhouse-how-2019-7>

How can a multimillion-dollar property be transferred for \$0?

Public documents of the 2011 transfer show that Epstein signed as the president of both NES and Maple Inc. Since he was an owner of both companies, he essentially acted as both the buyer and seller in the transaction, thus resulting in a \$0 transfer.

[@dirkandthetruth](#) -- it rarely deals in Dark Dirk and its nice to keep numbers up for appearance's sake.

[@CNBC](#) [@dirkandthetruth](#) How about this question: If you weren't hiding your own

crimes, why didn't you go to the police when Serial Pedophile Rapist Embezzler Epstein stole \$46 Million Dollars and your \$77 Million Dollar NY Mansion?

[@CNBC](#) [@dirkandthetruth](#) [@WendySiegelman](#) calls bullshit, too.
