<u>₩@DevinNunes</u> also fails to mention that Steele said the "Russians had succeeded in placing an agent INSIDE the DNC"!!

 The Russians have succeeded in placing an agent inside the DNC.
 Steele also mentioned an emigre Amort by the name of Serge Millian who may be involved in some day. (According to the Financial Times (FT), Milian is head of the Russian-American Chamber of Commerce). Steele noted Millian had left the U.S. and seemed to have disappeared. (Comment: According to FT, Millian's organization said in 2009 it had "signed formal agreements with the Trump Organization" to service Russian real estate clients, but the Trump Organization denied any connections. Per Steele, Millian is connected Simon Kukes (who took over management of Yukos when Khodorkovsky was arrested.) N.B. I've seen press reports that Kukes recently donated a large amount of money to the Trump campaign.
