8. Your Affiant conducted open source searches of the originating number 954-326-0611, revealing the current cellular carrier as T-Mobile and associated users as Kim and John KLESS. Based upon the threatening nature of the phone calls, combined with the fact that U.S. Congresswoman Rashida Tlaib was due to speak in Florida between April 20-21, 2019, Your Affiant contacted T-Mobile Law Enforcement Relations on April 16, 2019 at approximately 6:36

p.m. EDT and submitted an exigent request for subscriber information for wireless account 954-326-0611 to include current location, call detail records, and continuous location updates (pings). At approximately 6:51 p.m. EDT, Your Affiant received the results of the T-Mobile request. The account returned to Kim Kless with a billing address of [REDACTED]. Database searches of the provided address revealed the current residents of [REDACTED], 211, Tamara, Florida as Kim Kless and John KLESS, with no additional occupants. T-Mobile additionally provided the current GPS coordinates of the wireless account (26.223840, -80.281885), which returned to the vicinity of the Tamara, Florida address. Outgoing call detail records provided by T-Mobile confirmed calls from 954-[REDACTED] to the Washington, D.C. offices of the U.S. Congressman Swalwell from California (202-225-5065), U.S. Congresswoman Tlaib from Michigan (202-225-5126), and U.S. Senator Booker from New Jersey (202-224-3224).

9. Checks of the United States Capitol Police Threat Assessment Section Case Management System additionally revealed a previous February, 2019 case on KLESS, involving profane/harassing calls made to California U.S. Congresswoman Pelosi's Washington, D.C. Office. This early 2019 case included voice messages left by KLESS concerning Congress taking away his guns, abortion, illegal immigration, and Muslims in Congress.

**CONCLUSION**

10. Based upon the foregoing facts, your affiant respectfully submits that there is probable cause to believe that JOHN KLESS, did commit a violation of federal law, to wit, the Interstate Transmission of Threats, in violation of Title 18, United States Code, Section 875(c).

@realDonaldTrump Seems absurd to me that for \$2,500 he was released on bond.

I see nothing on the docket requiring he turn over his firearms

I mean DID YOU READ THE TEXT OF THE VOICEMAIL?

Why wasn't he remanded pending trial?
