1. Is [@realDonaldTrump](#) having Ambien induced hallucinations evidenced by his imagined Mueller testimony? Are his nightmares emerging while awake? Ambien has been known to cause hallucinations & other serious neurological symptoms.

**Trump: Mueller made a fool out of himself - CNN Video**

During an interview with Fox News, President Donald Trump said former special counsel Robert Mueller made "such a fool" out of himself when he delivered his first and only public statement about the ...

2. At 0:18/1:47 of above [@IngrahamAngle](#) interview in a Normandy war cemetery, Ingraham asks Trump, who appeared fairly manic, if he minds if Muller testifies. In response Trump said, "Let me tell you. He made such a fool of himself the last time she [sic] . . because what people

3. don't report is the letter he had to do to straighten out his testimony because his testimony was wrong."

What testimony is this lunatic talking about? That this is not on the front page of every newspaper on earth is evidence that Russia has won the disinformation war.

4. We are approaching the time that Trump could gun people down on 5th Avenue because the cowed press would refuse to report it. Shame on the US press. Trump chose to have this attack on Americans at the Normandy cemetery and should derive no cover by the headstones of heroes.

5. Trump is a Fascist. Stones in background mark the resting places of brave men who fought & died to rid the world of Fascism. Reconsecrate the now desecrated ground by committing to call every [@SenateGOP](#) member Fascists until the party of Lincoln rids itself of this evil man.
